

Field Day

Dear Willard South Families,

Field day is approaching, and we need your help to make this day a success! We have several stations that need to be supervised by an adult. This year's field day is **Wednesday, May 17, 2017**. We will have a morning session and an afternoon session. Pre-K, Kindergarten, and first grade will be in the morning session and second, third, and fourth grade will be in the afternoon.

If interested, volunteers are encouraged to work a station opposite of when their child's field day is scheduled. For example, if your student will be participating in field day in the morning, volunteer in the afternoon so you are able to spend the morning with your student's class.

Please fill out the bottom portion of this paper and **return to your student's teacher by Wednesday April 5**. You will also need to complete a volunteer form. If you completed this at the beginning of the year, you do not need to do it again. However, if you have not completed the volunteer form, you need to fill it out. You can find this form at <http://wscounseling.weebly.com/volunteer-opportunities.html>

If you have any questions, please contact Mrs. Allen by calling the school, or emailing alexallen@willardschools.net.

Thank you!
Willard South Field Day Team
